However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. **ANNEXURE TO THE NOTICE****EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013****Item No. 3**

In terms of the Foreign Exchange Management Act, 1999, as amended, the Foreign Exchange Management (Non-debt Instruments) Rules, 2019 (the “FEMA Rules”), the Master Direction –Foreign Investment in India issued by RBI through Master Direction No. 11/2017-18 and the Consolidated Policy Circular of 2017, as amended (together with the FEMA Rules, the “FEMA Laws”), the Non-resident Indians (“NRI”) and the Overseas Citizens of India (“OCI”), together, can acquire and hold up to an aggregate limit of 10% of the paid up equity share capital of a listed Indian company. The FEMA Laws further provide that the limit of 10% can be further increased up to 24%, by passing a special resolution to that effect by the shareholders of the Indian company and followed by necessary filings, if any with Reserve Bank of India. The Board of Directors of the Company has, at its meeting held on August 18, 2022 (“Board Resolution”), proposed, subject to the approval of the shareholders by way of a special resolution, to increase the foreign investment limit of NRIs and OCIs to 24% of the paid up equity share capital of the Company.

Your Company feels that foreign investment by NRIs would enhance its image and will add to its growth, therefore it wishes to increase the limits of foreign investment by NRIs and OCIs upto the maximum permitted limits allowed under the law.

None of the Directors and Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the said resolution, save and except as shareholder and to the extent of their shareholding in the Company.

Your Directors recommends the resolution as set out in Item No. 3 of the Notice as Special Resolution.

**Item No. 4**

The Board of Directors of the Company (‘the Board’) at the meeting held on August 18, 2022 on the recommendation of the Nomination & Remuneration Committee, recommended for the approval of the Members, the remuneration of Rs. 50,000 Per Month will be payable to Mr. Bhavesh Premji Mamnia, Non-Executive, Independent Director of the Company for a period of one year commencing from the October 1, 2022, in terms of Section sections 197, 198, Schedule V and all other applicable provisions, if any, of the Companies Act, 2013 and Rules made thereunder and as

per the Regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations 2015'), or any amendment thereto or modification thereof.

Looking to the competitive business environment, stringent accounting standards, corporate governance norms and consequent increase in the responsibilities of the Non-Executive Directors ("NEDs"), it is considered prudent and appropriate to remunerate the NEDs of the Company.

Ministry of Corporate Affairs vide notification dated March 18, 2021 made necessary amendments in the Act and Schedule V of the Act, which now enables the Companies to pay remuneration to NEDs in case of loss or inadequate profits, within the limits of Schedule V of the Act. The existing Memorandum of Association ("MOA") is based on the erstwhile Companies Act, 1956. The Alteration of MOA is necessary to bring the existing MOA in line with the new Companies Act, 2013.

According to the Companies Act, 2013, the companies now have only main business and ancillary and incidental business to the attainment of Main Business, therefore it is important to alter and adopt the new set of Memorandum of Association as per Companies Act, 2013.

The new set of MOA to be substituted in place of the existing MOA are in the format prescribed under 'Table A' of the Act which sets out the model MOA for a Company limited by shares. Copy of the draft Memorandum of Association of the Company would be available for electronic inspection by the members and will also be available electronically for inspection by the Members during the AGM.

Your Directors recommends the resolution as set out in Item No. 5 of the Notice as Special Resolution.

**Item No. 6**

The Articles of Association ("AOA") of the Company as presently in force are based on the erstwhile Companies Act, 1956 and several regulations in the existing AOA are no longer in conformity with the Companies Act, 2013. Further several regulations / articles of the existing AOA of the Company require alteration or deletion pursuant to changes in applicable laws. Therefore, it is considered expedient to wholly replace the existing AOA by a new set of Articles.

The new AOA to be substituted in place of existing AOA are based on Table-F of the Companies Act, 2013 which sets out the model Articles of Association for a company limited by shares.

The new set of AOA to be substituted in place of the existing AOA. Copy of the draft Articles of Association of the Company would be available for electronic inspection by the members and will also be available electronically for inspection by the Members during the AGM.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### INDUSTRY STRUCTURE AND DEVELOPMENTS

Our business is inextricably linked to the capital markets. Extending the rally from 2020-21, bulls continued to dominate the Indian equity markets in 2021-22. Market sentiment was unsettled, however, on global cues amid concerns over policy normalisation in advance economies (AEs), country specific factors in systemic emerging market economies (EMEs), the spread of Omicron and geopolitical tensions. Nevertheless, the BSE Sensex surged by 18.3 per cent to close at 58,569, outperforming many global peers, while the Nifty 50 increased by 18.9 per cent to close at 17,465 on March 31, 2022. In 2021-22, the total market capitalisation of BSE listed companies surged by 29.2 per cent to Rs. 264.1 lakh crore. After increasing to 32 per cent in February 2022, which captures short-term volatility of Nifty 50, dipped back to its end-March 2021 level of 20.6 per cent.

The Sensex climbed to fresh highs during June 2021 with the gradual reopening of the economy and pick up in business activity. Market sentiment was dented by concerns over inflation and imminent tapering of monetary stimulus by systemic central banks. The market extended losses towards the end of the month following negative global cues on concerns over the spread of COVID-19 infections in various countries, with sharp volatility spikes in July 2021. Sustained selling by FPIs also added pressure on domestic equities. Equity market bulls wrestled their way back in August 2021, pushing the benchmark indices to record highs, supported by recovery in auto sales, robust GST collections, strong corporate earnings results for Q1:2021-22, benign CPI inflation prints and expansion in India's manufacturing Purchasing Managers' Index (PMI) to 55.3 in July.

### OPPORTUNITIES & THREATS

The Capital markets in any country play a pivotal role in the growth of economy and meeting the country's socioeconomic goals. They are an important constituent of the financial system given their role in the financial intermediation process and capital formation of the country. The importance of capital markets cannot be under-emphasised for a developing economy like India which needs significant amount of capital for development of strong infrastructure. The Government, the Regulators and the financial institutions have an important role to play in building a strong and robust capital market. The growth trajectory of a country's capital markets is significantly influenced by the actions of these stakeholders. Concerted efforts of the Government and the Regulators supported by a long-term vision and clarity in action can significantly help in fostering a climate that is conducive to growth and investments.

In a volatile stock market, the Company is exposed to the risk of fluctuation in share prices. This however is not likely to affect the working of the Company as a major part of the investments are held on long term basis and temporary fluctuations of those shares in the stock market do not have much financial implication to the Company. However, the company gives continuous effort to frequently examine the ups and downs of the market and there are plenty of hindrances which may hamper its growth. The Management is regularly monitor the changing market conditions and the trends. Further, any slowdown of the economic growth or volatility in the financial market could adversely affect the company's performance. However, the nature of capital market in which the Company operates is not predictable with certainty.

Moreover, our strength lies in our strategic objective which is to build a sustainable organization, while generating profitable growth for our investors.

### SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates in single segment, i.e. Securities Trading. The revenue from operations from the aforesaid segment during the year was Rs. 2525.809 Lakhs.

The Company is consistently adding its revenue sources while containing costs and work upon disruptions to its advantage. - (b) In case of the Statement of Profit and Loss, the profit of the Company for the year end on that date, and
- (c) In case of the Statement of Cash Flow, of the Company for the year end on that date

#### Basis of Opinion

We conducted our audit of the Ind AS financial Statements in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit matters:-

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Information other than the financial statements and auditors' report thereon

The Company's board of directors and management are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Ind AS Financial Statements

The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and

fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of **M/S. ISL Consulting Limited**, ('the Company') as at 31st March, 2022 in conjunction with our audit of Standalone Financial Statements of the company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and, which are company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company, which are company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The management followed the policy of accounting of call options same as other derivative instruments. However we recommended to the management to have strengthen the internal control system regarding the policy of the Call option transactions as part of the Balance sheet.
